 - Demand days will be capped on the following days:
 - November 26th (day after Thanksgiving)
 - I&M (1), Broadband (1), Cable (1) demand slot Phoenix Metro wide.
 - Air Pressure (1) demand slot Phoenix Metro Wide

In the event an employee experiences an urgent need (i.e. urgent childcare or medical situation) for time off after they have started their tour, the Company will attempt to meet the employee's needs on a case by case basis. The field supervisor and the LRAC will collectively determine if the Company can accommodate the employee request.

The company and the Union reserves the right to review these guidelines at any time. Any changes to the above guidelines would be discussed with the Union prior to implementation.
